How It Works

Take a look at the schedule above and get an idea of what you would like to do before choosing one of two options:

FULL WEEK: Sign up for the entire week's events and participate each day at a reduced rate.

DAILY: Allows for more flexibility because you can register and pay for individual days.

Students will need to be picked up from the High School Lecture Room at each day at 4:00 PM.

You will receive an email about a week before the event with more details.

If you have questions, please check out the website www.hastingscommunityed.com or call 480-7670.
