- OASIS PLUS registration available online at www.hastingscommunityed.com

HASTINGS MIDDLE SCHOOL *and* HASTINGS COMMUNITY EDUCATION

AFTER SCHOOL PROGRAMS

OASIS *and* OASIS PLUS

WHAT IS OASIS?

OASIS is a program that provides youth grades 5 – 8 a safe place to go after school. OASIS operates, at no charge to the students, from after school until 5:00 p.m. Monday thru Thursday.

OASIS will provide supervised activities including special interest clubs and sports, as well as help with homework from Middle School teachers and access to the school library.

OASIS offers challenging and exciting activities to fit everyone's interests:

- Homework Tutoring
- Games—Board games—Table games
- PE Enrichment—Disc Golf—Strength Training
- Various Activities (as seen on OASIS Monthly Calendar)
- Field Trips (Minimal fees required)
- Police TASK Force (Things After School for Kids)

WHAT IS OASIS PLUS?

Kids—and their families—need a great environment after school, five days a week. Parents, community members and Hastings Middle School staff all agree that an after school program should be available on Fridays and school release days as well. That's OASIS PLUS.

OASIS PLUS extends the OASIS program, focusing on the interests and needs of Middle School students. With staff assistance, students will plan their Friday and release day activities, built around:

- Sports and games
- Community Service
- Adventure, including field trips
- Discovery and inquiry—architecture, chess, astronomy, fishing
- Practical skills—first aid, cooking, gardening, knitting, crocheting
- Creative express—drama, dance, art activities

OASIS PLUS is a fee based program offered through Hastings Community Education. See registration information for fees and options.

COMBINE OASIS AND OASIS PLUS!

Great activities, every day after school, keep kids actively involved in the Middle School community!

Certified, experienced staff know Middle School kids and connect with Middle School staff to help kids succeed academically!

Kids have an opportunity to be with their friends in a safe environment after school!
